	CONTINGENCY MANUAL ASHORE		
	DOC: CMA	Sec No: 0. 2	Page 1 of 1
	Revision: 0	Rev. Date : 01-06-2020	Issue No: 6

0.2 PREAMBLE

This Contingency Manual Ashore (CMA) gives the Procedures that have been established in the Company for Actions to be taken by the shore based staff of the Corporation in case of an Emergency on board the dredgers / crafts of the Company. The objective is to establish a system, which enables the Company to provide immediate response and help the dredgers / craft for any emergency situation that arises on board. This manual covers the requirements of the Company's Safety Management System and ISM Code. This does not replace any other applicable statutory requirements.
